"Angel With A Kick"

You can now wear your own 'Guardian Angel' around your neck and in doing so, make a contribution to the Martial Art Cancer Foundation.

Dedicated to the memory of Thomas (Carroll) LaPuppet, who on March 23rd, 1999 lost his battle with cancer. Just prior to his death, he was cast and starred in his last independent film, "Angel With A Kick."

Join us in supporting the fight against cancer, by giving your support to our efforts, with a gift and wear your own "Angel With A Kick." The monies are put into a fund, in a five year commitment, to give financial support to the families who are fighting this deadly disease. A committee in the martial art community will be selected to distribute gifts from the foundation each year.
