To Whom It May Concern:

The USA Karate Federation in conjunction with Kwanmukan International is holding a major national martial arts symposium in Sandusky, Ohio January 17, 18, and 19th. Specifically we invite Thurairajah Ravichandran and Vijaya Kumara to attend this event.

The event will begin Friday January 18 and end on Sunday January 17. An extra day or two would allow some sightseeing and meetings to take place with officials of the USA Karate Federation and Kwanmukan International.

If there are any requirements that you need from us to expedite there attendance, please let me know.

Specifics on event and costs will be sent by email.

Sincerely,

Patrick Hickey, Organizer
